Illuminating Landscapes: K-LITE's High-Quality Architectural Luminaires

K-LITE: Illuminating Architecture Since 1977

K-LITE is a pioneer in the design and manufacture of high-quality architectural luminaires and lighting poles. With decades of expertise, the brand has earned a reputation for delivering reliable, aesthetically refined lighting solutions that cater to a wide range of design preferences and functional requirements.

Sustainable Manufacturing, Timeless Design

Operating through state-of-the-art manufacturing facilities, K-LITE focuses

on sustainable and energy-efficient LED technology. Every luminaire is engineered to meet stringent international quality standards while embodying architectural elegance and design precision.

Built to Withstand the Elements

K-LITE's landscape and outdoor lighting solutions are purpose-built for rugged environmental conditions, capable of withstanding:

Wind | Water | Direct Sunlight | Rain | Dust

All products feature high IP and IK ratings, ensuring superior protection against ingress and impact. This makes them ideal for demanding outdoor and landscape applications.

Comprehensive Product Range

K-LITE offers one of the most diverse and versatile lighting portfolios in the industry, including:

- Linear Wall Washers
- Up-Down Lighters
- LED Strips / Neon Flex
- Promenade Lighting
- Bollards & Pathway Lights
- Underwater Luminaires
- Post-Top Luminaires
- Bulkheads & Pathfinders
- IP67 Linear Profiles
- Polar Lighting Poles
- NEW: Facade Lighting Series

Lighting with Purpose & Beauty

Every K-LITE product represents a perfect blend of functionality and design excellence. Whether illuminating walkways, enhancing architectural façades, or creating ambiance in public spaces, K-LITE luminaires consistently deliver:

- Superior Illumination
 - Long-lasting Durability
 - Architectural Aesthetic Enhancement
- Trusted by architects, landscape designers, and urban developers, K-LITE continues to transform spaces with lighting solutions that seamlessly integrate form, function, and beauty.
